## **CAPTAIN'S NEWS**

We have a full programme of events and competitions, catering for all membership categories, friends and family. There are some great prizes to be won and more importantly a lot of fun to be had. Over the years attendance to some events/competitions has dwindled which has prompted us to re-evaluate the Captain's week format and start some in the things in the afternoon. Golfer /Non Golfer, Cross Country and the 4 Ball Texas scramble are open to ALL membership categories.*

### **World Cup 2018**

### ***The Captain's "Twisted" 4 Ball Texas Scramble***

*This is a twist on a favourite format. Unlike the conventional Texas Scramble format where you have to select at least four tee off shots of each player during the round. In this format each player in the 4 ball will nominate the 4 holes they will drive off from before commencement of the round, the selections will be indicated on the scorecard, of the remaining 2 holes all players will drive off and the best ball will be played. A sheet will be available explaining the handicap and scoring arrangements. The entry sheet is in the Folder situated on the table in the lobby of the club house.*

### ***Golfer/ Non Golfer***

*This is a perennial favourite of Captains Week. For those member relatively new to the club this event is played in pairs the Golfer, I use that term lightly, tees off and plays all shots to the green, this is where the Non Golf takes over they play the ball into the hole, with the encouragement and unwanted advice of the Golfer! At the end of the round you can both retire to the bar for drinks and counselling!! The entry sheet is in the Folder situated on the table in the lobby of the club house.*

### **Ladies Day**

*In the absence of the men, all away enjoying themselves at another course for the day, the Ladies are given priority on the course. Playing an 18-hole competition with an evening meal, the Social Ladies Members & the Captains Lady also attend the meal, all at the invitation of the Ladies Captain, Janet Williams. It is traditional that the Ladies Captain provides a buffet with the Ladies providing gourmet style desserts.*

## THURSDAY 14<sup>TH</sup> JUNE

### **Cross Country – “Its golf Jim, but not as we know it”**

*Another perennial favourite. You know what you are up against very early in this contest. For only this occasion, in the year, you get to play the course as you have never played it! The first hole is devilish. You tee off from the edge of the main putting green, to a temporary hole just the other side of the pond adjacent to the 3<sup>rd</sup> green a distance of a little over 6 yards. From the sublime comes the ridiculous! Your next whole tee's off from the large bunker near the 3<sup>rd</sup> green and culminates on the 4<sup>th</sup> green a distance of over 600 yards. The course tests your golfing skills and course management to the full and is incredibly fun.*
