MIXED COMPETITIONS

Roche Trophy & Parkside Cup: Mixed Competition - These 2 competitions were amalgamated a couple of years ago, reducing the mixed competitions from 5 per year to 3, the Blaker & Stewart Cups were also amalgamated, these had not been very successful so it was decided to reformat them for this year, as a trial. Happily, we can report that last Sunday went off very successfully, the feedback received was very positive.

The winners, with an excellent score of 81 points were Gwen Heuerman, Cliff Hall & Mark Brown, Runners-Up, with 73 points were - Clare Sells-Brown, Del Burton & Barry May.

Please keep a look out for the start sheet, to be posted early June, for the next of these Competitions (Blaker & Stewart Cups) on Sunday 1st July, there is a meal after play and all participants are expected to attend. Please add your names to the start sheet.
