CHILDREN'S CHRISTMAS PARTY SATURDAY 8TH DECEMBER

Message from Dee:

I have, for the last couple of years, donated the hamper that is raffled to raise money to subsidise this party, it helps to keep the costs down, last year it raised nearly £600, as I now have 8 children to pay for as well, it is proving to be an expensive day. If any Ladies are willing to donate an item of festive produce to be included in the hamper please let me know, all donations will be gratefully received. Please let me know before you buy in order that i can monitor the contents, wouldn't want 12 packs of mince pies.

Past Ladies Captains
